John E. Bacon  
Information and Privacy Coordinator  
Central Intelligence Agency  
Washington, D. C. 20505

Dear Mr. Bacon:

I have received your March 16, 1981, response to my FOIA of February 24, 1981. Since you have denied my fee waiver request, I hereby withdraw that part of my FOIA request for information under my Section IV-- but under Section IV only. Please be advised my request stands for information requested under Sections I, II, and III.

I also request that, as Coordinator, you "compile an estimate of the search fees likely to be incurred in processing" my Sections I, II, and III and that I "be promptly notified of the amount."

I do not, by the way, agree with your judgment (p.2, paragraph 3) that the information I am requesting "would not primarily result in substantive benefit to the public." For that reason I am appealing your fee decision in a separate letter, attached, to the Executive Secretary of the Information Review Committee. Please proceed, however, with the estimated search fee compilation I requested.

Yours,
